

**South Carolina Campaign to
Prevent Teen Pregnancy Presents:**

“Safer Choices: Preventing HIV, Other STD and Pregnancy” Curriculum Training

FREE!

**Looking for a new research proven sexual risk
reduction education curriculum?
Is teen pregnancy a problem at your school?
If so, this workshop is for you!**

Workshop Date:

October 9th

Time: 9:00am - 4:00pm

This free, one-day workshop is intended for High School Health Education Teachers and Coordinators who want to implement a proven effective approach to adolescent HIV/STD and pregnancy prevention. All participants will receive a complimentary copy of the Safer Choices curriculum.

The Safer Choices program has been shown to reduce the number of students engaging in unprotected sexual intercourse thus reducing rates of teen pregnancy and HIV among participants. This curriculum, which targets 9th and 10th graders, has been approved with revisions to meet the SC CHE Act by the South Carolina Healthy Schools HIV Materials Review Panel.

For more information, please contact the SC Campaign to Prevent Teen Pregnancy, (803) 771-7700.

**Space is Limited! Registration is required—please
complete and return the enclosed form.
Registration will close October 2, 2006.**

Directions to trainings will be mailed
with confirmation of registration.
